El Conquistador, Conquistador Course

The Conquistador Course at El Conquistador Golf & Tennis is a recently renovated Greg Nash and Jeff Hardin design offering state-of-the-art agronomic conditions. The Conquistador Course is located in a lush, park-like setting adjacent to the clubhouse by the driving range. Fringed with natural mesquite and palo verde trees, this fabulous 18 hole course is intertwined with vibrant desert flora and offers four sets of tee boxes suitable for golfers of all abilities. Wide, open fairways and long holes provide the challenge of negotiating desert vegetation.

The Catalina Golf Course is the host to over 30 PGA Tour events (Chrysler Classic of Tucson), the annual host of the University of Arizona Invitational, and the 2006 host of the NCAA Regionals.

The course has been selected as one of Golf Digest's "75 Best Golf Resorts in North America." It is parkland style with 8 sparkling lakes and 80 bunkers. The 18th hole considered to be one of the finest and most challenging finishing holes on the PGA Tour.

Designed by Robert Van Hagge and Bruce Devlin, the fairways feature Tifway 419 pollen-free Bermuda and the greens feature Champion Bermuda.

This Tom Lehman designed course offers a combination of native desert vegetation with strategic fairway bunkering. Quarry Pines GC (Team Play)

In 2000, following a decision to abandon the sand and gravel quarry adjacent to the original golf course, the Town of Marana and the quarry/golf course owner agreed on a plan that would reclaim the quarry. By relocating 10 golf holes into the old quarry and reconfiguring 8 of the existing holes one of Tucson's most popular golf courses was transformed. Today the unique desert landscape is highlighted by dramatic elevation changes and the addition of thousands of trees.

Play for Fun.

This new option is for members who wish to just play golf and not strictly follow the rules of golf. They will be paired in the same foursome(s), and may play from any tee, pick-up whenever they want, and of course use gimme's. This group will not be eligible for any prizes or skins. It is estimated that the cost of the golf will be \$20 less than the cost of full participation. You may create your own foursome, men and women can be paired together. The golfer also does not need an official handicap. As always we ask that you keep up with the group in front.

Forward Tees for men.

The second option will be to allow the men to play from the forward tees. Again this group will be paired together and play as their own flight. There will be flight prizes, but they will not be eligible for overall prizes, skins, KP prizes or hole in one Prize. We will review participation in this flight prior to the tournament, and discuss with those concerned whether the numbers justify this separate flight. Ladies usually play from the most forward tees, therefore I do not believe this could be an option for them.
